There will be 2 more hearings: Aug 10, West LA and Aug 13, Hollywood. The next CLA report probably won't be until Sept (after hearings) so ED committee after that. I shared this info so we all have a sense of the timing.

Hope that's helpful.

I'm not understanding the response. Is he suggesting these recommendations (a page and a half's worth) be talking points at public comment in the next community meeting? Or is he saying their updated reports will be incorporated into the presentation at the start of the community meetings?

Hi Marie,

At this time we do not have an estimated time for completion of the CLA report. There will be two additional community meetings on sidewalk vending in August and such input provided may have to be incorporated. A letter announcing the dates and locations will be issued soon.

Please let me know if you have any other questions or wish to discuss further.

Hi Felipe,

Now that the community meetings have concluded do you have an expected timeframe for when the next CLA report will be released?

Thank you, Marie
